SCALE FOR PROJECT PISCINI (HTTPS://PROJECTS.INTRA.42.FR/PI PHP) / DAY 00 (HTTPS://PROJECTS.INTRA.42.FR/PI PISCINE-C-FORMATION-PISCINE-PI

You should evaluate 1 student in this team

Git repository

git@vogsphere-v2.hive.fi:vogsp

Guidelines

You already know how peer2peer evaluation work by now and during this PHP Piscine, it works as any other Piscine projects you have evaluate so far. Take the time to discuss the assignments and to make sure that the evaluated has understood the notions of the day.

Preliminaries

The basics

- The whole team must be present.
- Only grade the work that is in the student or group's GiT repository.
- You must use Chrome for this defense.
- If there is nothing in the repository, the evaluation stops here. Discuss what went wrong and how to avoid facing the same situation tomorrow.

Yes

Ex00 - Basics or home

Are all the required elements here?

You will check that :

- The background color is pink (`#FFC0CB` or in decimal).

- The navigation tab title contains "Basics".

- There is a white title centered on the page. It must have a bigger fo elements and contain at least one accent.

- There are two images side by side that represent e-shops.

- There is a link under each image. When you click them, they must r corresponding e-shop.

- There is a horizontal line under the links.

- There is a line containing the copyright symbol, followed by the evo current year, all in monospace font. The line must be aligned on the

If one of these elements is missing, answer "No" and the evaluation of th maximum of one mistake will be tolerated out of the total amount of poir

Yes

Ex01 - Mendeleev

Is the table corresponding to what's expected?

You will check that :

- The table is properly displayed. It must contain at least 7 rows and rows if the lanthanides are displayed too.

- The table is in pure HTML/CSS (it is not an image of the periodic ta elements in the source code and check that it changes in the brows

- There are some colours and at least one image.

- Each cell of the table contains :
  - The symbol in a bigger font size and in bold.
  - The atomic number in the bottom left hand corner, in a smalle
  - The atomic weight in the bottom right hand corner, in a smalle

If all the points are checked and as long as the layout and the content of even if the table is not pretty, tick "Yes". If one of the elements is missing, evaluation stops here for today.

Yes

Ex02 - Day of the 42

How good is your game interface?

You will check that :

- All of the provided images have been used (no more, no less).

- The 10 required "alt" and "title" are present (the two top icons, the
  and the three images on the right). If there are more, it's OK.

- The two dynamic areas are clickable and redirect to the right websi
  second one from the right and the first screen of the first row - first o

- The two other links are included and they redirect to the proper we

- The background colors are identical or very similar to the ones in th

- The magnifying glass is overflowing a little bit.

- The green area is covering the central image.

- Inside the green area, the font sizes and families are respected (ser
  last word is on a new line.

- There is a red text shadow under the last word of the green area.

We will tolerate a maximum of 3 mistakes out of the total amount of poir
tick "No" and the evaluation stops here.

Yes

Ex03 - The shrunk agent

Control of the responsivity... ness?

Display the page.
Decrease the size of the window : the table and the text must shrink and
Enlarge the size of the window: the table and the text must expand and g
If it's smooth, it's worth a bonus point (see the following question). If it's
text is overflowing in the next cell, or there are only two different font siz
If the size of the cell or the font size doesn't change at all, tick "No" and
here.

Yes

Bonus

Is it smooth?

Yes

Ex04 - SNCF Sandwich

Do we have a menu?

You will check that :

- There are at least 5 dropdown menus on the page, contained in a

- Three of the dropdown menus contain at least 4 clickable items eac
  the links redirect to).

- There is at least one dropdown menu that contains at least 4 clickak
  dropdown menu (which also contains at least 4 clickable links).

- There is at least one dropdown menu that contains:
  - At least 4 clickable items

  - A dropdown menu that contains at least 4 clickable items and
    also containing at least 4 clickable items.

- The evaluated only used HTML and CSS.

Yes

Ex05 - SCUMM

A playable game?

To consider this game as playable, it must have some kind of a scenario,
objects to take, interactions with the environment and NPCs.
The game must have a starting point and an objective that we can follow
You will check that the game is relatively playable and that it has a scenc
quality or the eccentricity of the story but the fact that it's that some actic
specific times,
for example).
If at least 5 features mentioned in the subject are present and are well im

Yes

Bonus

Wow, the game is so amazing, it has a great gameplay, cool images, a l
objects and interactions with the characters!

Yes

Ratings

Don't forget to check the flag corresponding to the defense
